

## **What Are We Trying to Assess?**

### **Solving 7 Generic Assessment Problems Synergistically**

- **1. Select Learning Objectives via National Standards**
- **2. Need for Control Groups: Valid Assessment Results**
- **3. Test Long-Term & Value-Added Learning Retention**
- **4.\* Assessing ISGE Courseware Content Integration:  
Use of Integrative Themes & Detailed Case Studies**
- **5.\* Assessing Both MM Learning Technology Using  
Authorware™ & Sociological Learning Methods**
- **6. Enjoyment of Learning & Learning Environment:  
Motivation/Enthusiasm/Valuing What is Learned**
- **7.\* Building Software Tools that Enable Eval. Results to  
Really Change T&L (for CSU System-wide Use)**
